Re: Weather forecast next week

Dear Parents,

First of all, we would like to thank you all most sincerely for all the help you gave in preparation for, during and tidying up after Sports Day. We hope you enjoyed it! Huge credit must go to all the pupils for their fantastic participation and a special word of thanks must go to the Senior Room pupils who planned, organised and supervised the activities so well. There are lots of pictures on our school website so do take a look when you get a chance!

With regard to the heatwave that is forecast for next week, we would urge you to ensure your child has sun-cream on before coming to school and has cream in their bag that they can apply before we go out (it might be advisable to show your child how to apply the cream effectively!) We don't allow children to share different brands of sun-cream just in case there would be an allergic reaction.

We have decided that we will take our longer lunch break (20 minutes) earlier in the day at around 11am and our 10 minute break at around 1pm – it is not our intention to keep the boys and girls indoors in such lovely weather but we just want to be sensible about it while they are under our care! We will happily refill plastic bottles with water for the children to ensure they stay hydrated.

If you have queries in relation to this matter, please don't hesitate to get in touch with us.

Le meas,

Eimear O'Donovan
Principal

Mary Ronan
Deputy Principal
